12 May 2017 " Todd "Bubba" Horwitz has enjoyed a successful career in the financial industry for more than thirty four years. He began his profession in 1980 as was one of the original market makers in the OEX Trading Pit at the Chicago Board of Options Exchange. He has traded at all of the major exchanges in Chicago and is currently a member of the CBOT. In addition to his trading, for the past five years he has concentrated on writing, education, and a media career. Now Horwitz has a number of educational and media ventures and is sharing his experience across the internet through his videos, books, publications and websites.

Option Spread Trader Bubba Horwitz is explaining in the youtube video entitled "Bubba Horwitz Profits Big Off His Option Spread Strategies" how he profits off trading his option spread trading strategies. He has cashed in big in the past, and tells how you can do the same with options like: IBX, TJX, STX. Option strategies are simultaneous, and often combine the purchase or sale of one or more options that differ in one or more variables. Often this is done to enhance the impact on a particular type of opportunity or risk, eliminating other risks as part of a trading strategy. Literally, the strategy may be simply the purchase or sale of one option, but option strategies often combine the simultaneous purchase and sale of several options. Much more information about techniques and strategies used by Bubba Horwitz can be found in following video: <https://youtu.be/mDzLMB14dDk>
